Teacher Instructions

Thank you so much for purchasing this digital art gallery. This is an editable Google Slides show that can be shared digitally with your students or emailed to parents and friends. The videos below will walk you through how to add images and share your presentation. I also included a tutorial on how to screen record your slideshow and create a video with music added. To add music you will need to edit the video in any video editing program. Prior experience is helpful but these videos will help you get started. Make sure when you [open this link](#) you make a copy and save it to your Google Drive.
