Reflective Symmetry Pen & Ink Worksheets

These 12 reflective symmetry worksheets are great for middle or high school art classes to use for substitute lesson plans, introducing line, pen and ink, symmetry, or for early finishers. They can be shared through Google Classroom or emailed to students. They can be printed out and students can submit a photo of their work as an attachment to the assignment.

What Educators Are Saying:

Extremely satisfied.

THANK YOU! This is a lifesaver when I'm in a pinch and cannot be in class. Students found it engaging and they were able to apply skills they have been practicing. I love that it includes a rubric/marking scheme. - *Art Teacher, Christine E.*

Extremely satisfied.

This was easy to follow. Students were engaged and proud of their finished work. It is a great resource for sub plans or early finishers. - *Art Teacher, Christina L.*

Thank You!

I am Lauren and creating beautifully designed middle and high school art lessons and resources that save you time and allow you to spend more quality teaching moments with your students is my PASSION and my ART. I truly believe when we feel good on the inside we shine on the outside. I love being able to share my art with you.
